Vol. IV No. 1

Dear Customer:

Welcome to our first Update of the New Year. Included in this issue are many new purchases made at the F.U.N. show held during the first week of the year, as well as several private collections which we acquired during the holiday season. The current market provides the best opportunity in over a year for buying coins, since the rapid price increases have subsided temporarily. To add incentive this month, we are again holding our annual discount sale. See the box below for a schedule of available discounts. If you are looking for a piece which we have not listed this month, or would like to discuss a particular coin in greater detail, please call your professional numismatist today, toll free, at 1-800-US COINS.

Sincerely,

Michael W. Sherman
General Manager

Value Guarantee

Any Heritage coin may be returned within 30 days of your receipt for a full refund if you are not completely satisfied. Further, if within six months from date of receipt of your Heritage coin you make a bonafide purchase or have a bonafide option to purchase from another established dealer in the trade a coin of the same type, date denomination, mint mark, and grade for less money than your Heritage coin, the upon proof of your purchase or purchase option, Heritage will, at its option, either refund your full Heritage purchase price plus ANACS fees, in exchange for the Heritage coin, or issue you a check for the difference between the Heritage purchase price and the purchase or purchase option price for the comparable coin plus ANACS fees.

It is also guaranteed that all coins sold are genuine. As proof of our certainty that no counterfeit or altered coin can escape our attention, it is also guaranteed that we will refund the full Heritage purchase price plus 15% interest per year compounded annually on any non-authentic coin sold through Heritage Rare Coin Galleries. If you request auction for liquidation, Heritage Numismatic Auctions, Inc., after acceptance, will catalog your coins at the same grade which you purchased them.

For the purpose of grade comparison under this guarantee, both the Heritage coin and the comparable coin must be graded by ANACS. This guarantee is valid only so long as the original condition of the coin has been maintained from the date of receipt of the Heritage coin. This guarantee applies to all purchases after July 31, 1983.

TWENTY CENT PIECES

1875 Proof (65+) Deep sapphire and grey toning atop fully reflective and virtually unblemished surfaces. From a recently broken up 1875 Proof Set and the nicest coin in that set. A coin of incredible beauty and a very desirable type piece as such.	9,600.00

BUST HALF DOLLARS

1806 AU (50+) O-109. (R-1). Pointed 6. No Stem Through Claw. Somewhat prooflike surfaces have toned to a light golden-russet. Quite sharp for a variety which is often seen very soft. Curiously, an "H" has been counterstamped to the left of the eagle's claw.	2,000.00
1806 MS (60+) O-119. (R-5). Artificially toned. Why not dip this otherwise exceptional coin and let it resume life as a plain old white piece?	7,525.00
1812 EF (40) O-107. (R-2).	110.00
1813 EF (40) O-110. (R-1). Struck from sharply clashed dies.	135.00
1821 MS (63) O-102. (R-1). Fully prooflike surfaces have toned to a deep cobalt with mauve undertones. An extremely sharp original coin which represents a "best value" in this section.	1,625.00
1824 MS (65) O-109. (R-2). Obvious triple profile. Light golden-grey shading to iridescence at the left obverse. Bold, unbroken luster and an excellent even impression make this an attractive and remarkably choice type coin.	5,400.00
1830 MS (63+) O-119. (R-1). Medium 0. Untoned and ultra-frosty. Were it not for some weakness of strike at the central reverse, this flashy coin would easily merit a "65" grade.	3,500.00
1832 AU (50) O-113a. (R-2). Struck from worn dies.	220.00

BUST HALF DOLLARS

1833 EF (40) O-112. (R-1).	110.00
1834 MS (65) O-106. (R-1). Large Date, Small Letters. Subdued iridescent toning on the obverse and reverse with the colors intensified by blazing luster below. Unimprovable and one of the two or three prettiest coins in this catalog.	5,400.00

SEATED LIBERTY HALF DOLLARS

1839 MS (63+) No Drapery. A phenomenal coin and one of the rarest pieces in this catalog. Flashy luster blended with orange-gold toning. Unobtainable any finer and one of the few truly choice pieces to come on the market in quite some time.	17,250.00

1854 MS (63) Untoned and lustrous. A fully struck, naturally brilliant coin which is only a mark or two away from raves.	2,225.00
1859-S MS (63) Deep russet-violet obverse; similar but much lighter reverse. Sharply struck except for the 18 in the date. Scarce!	1,500.00

1880 MS (63+) A second example; this piece is also prooflike but it is more deeply toned.	5,275.00
1885 Proof (67) Superb! Deep iridescent toning atop mirrorlike surfaces. The color of this coin is, to say the least, mesmerizing. For the finest st.	6,500.00

ONE DOLLAR GOLD

- 1877 Proof (65+) Only 20 struck. Breen-1. Date slants up to right; light doubling on the 1. A splendid two-tone Gem with light pink and green toning atop deep mirror surfaces. Bold wire rims and unusually sharp details prove, beyond a doubt, that the coin is a true Proof. A great rarity. 20,500.00
- 1880 Proof (63+) Only 36 struck. Unlike 95% offered as Proofs, this is a true Proof. Struck from the B-4 dies, it shows the wreath ends firmly joined, no file marks at ATEs and striae in the bottom loop of the first 8. Additionally, the surfaces are very deep and there are full wire rims on both sides. Like the 1877, a very rare coin. 9,650.00
- 1885 Proof (65) 1,105 Struck. A clean, original Proof Gold Dollar with excellent color and surfaces free of hairlines or planchet problems. 9,000.00
- 1886 MS (60+) Prooflike, especially so on the reverse. Natural coppery toning at the rims; flashy and quite clean for the grade. 950.00
- 1888 MS (60) 685.00
- 1889 MS (60+) Excellent luster; some roughness at the rims as struck. 945.00

QUARTER EAGLES

- 1805 AU (55) Only 1,781 struck and many of these melted in the great redemption of 1834. Flawless green-gold obverse; the reverse displays minor adjustment marks above STATES and the top of the shield. These marks do not detract. An extremely scarce type; far more so than Half Eagles and Eagles of this era. 13,350.00
- 1834 MS (63) No Motto. Struck in deep green gold and very lustrous. A sharp, even impression with the centers almost wholly up and the peripheries very bold. Very scarce in this grade and almost unobtainable any finer. 4,800.00
- 1851 MS (60+) Lustrous green gold; typical somewhat soft strike. 985.00
- 1854 AU (55+) A technically Mint State coin which shows a touch of rub on the cheek. 595.00
- 1884 Proof (65) Only 73 Proofs struck. Cloudy pinkish-gold atop fully reflective and very deep surfaces. Partial wire rims on the obverse and reverse; microscopic copper toning spot between the final S in STATES and O in OF serves as identification. 19,150.00
- 1885 Proof (65+) Only 87 Proofs struck. This is a two tone Gem with the frosted devices set against deep orange-yellow fields. The surfaces show the heavy orange peel common to this date but do not show the oft-seen hairlines. 25,000.00
- 1902 MS (63+) 1,750.00
- 1904 MS (60) 650.00
- 1904 MS (65) 2,525.00
- 1905 Proof (60+) 144 struck. Scattered light contact marks in the fields do not break the surfaces. An attractive coin and an excellent value at 4,250.00
- 1906 MS (65) 2,525.00
- 1907 AU (55+) 560.00
- 1909 MS (63) 630.00

- 1911 Proof (67+) Superb! 191 struck in the unique medium matte finish of this year. An absolutely flawless coin. Even under strong magnification, the surfaces are perfect. A finer Matte Proof Quarter Eagle of any date does not exist. 27,500.00
- 1912 MS (63) 630.00
- 1915 MS (65) Exceptionally clean and lustrous. Unimprovable. 2,525.00

THREE DOLLAR GOLD

- 1856 VF (20) Extensively worn but very clean and surprisingly attractive. 610.00
- 1859 VF (35) Fairly deep orange toning. A full "40" coin downgraded by some obvious but bearable obverse marks. Underrated. 800.00
- 1860 VF (30) Another clean, problem free coin; this has some luster adhering to the protected areas. 810.00
- 1874 EF (45) Fully lustrous and very attractive; a "50+" coin which is downgraded by a faint obverse staple scratch. 1,000.00
- 1878 MS (63+) Fairly deep yellow gold with full but subdued luster at the centers; the peripheral areas are touched by pink-hued luster. Sharply struck and clean; an obverse scratch from Ms. Liberty's mouth to between NI in UNITED keeps this coin from a potential "65" grade. 7,200.00
- 1878 MS (65) Similar in appearance to the last coin but with a bit more flash. The strike and surfaces are simply outstanding with no marks on the surfaces and a fully defined bow knot. 9,900.00
- 1882 AU (50+) The "2 over high 2" variety. One of but 1,500 business strikes for the year and a very clean, choice coin with excellent color and overall appearance. Scarce. 2,225.00
- 1888 Proof (65) 291 Proofs struck. Deep gold toning atop fully reflective surfaces. Other than a tiny Mint-made mark to the left of the 3, this glittering coin is superb. An excellent opportunity for the specialist or advanced collector. 19,800.00

HALF EAGLES

- 1806 MS (63) Breen 5-E. Knobbed 6. Struck in pleasing deep gold with green-hued luster throughout. A sharp, even impression with all details up except the juncture of the shield and the right wing. A very choice, original coin. 17,400.00
- 1809/8 MS (65+) Breen 1-A. Earliest state with the overdate quite bold. Outrageous luster atop satiny greenish-yellow surfaces. Light adjustment at the obverse denticles from 12:00 to 7:00; otherwise a nearly flawless coin. We have had the good fortune of handling some incredible Early Half Eagles but this piece is the finest we have owned. An amazing coin. 32,000.00
- 1813 MS (63) Breen 1-A. Fairly deep yellow and green gold with incredible luster. The surfaces are excellent with no serious marks and only the most insignificant of adjustment marks. The overall eye appeal of this coin is exceptional. A Half Eagle for the connoisseur. 20,400.00
- 1843 AU (50) Lustrous and clean; a good No Motto type coin. 360.00
- 1846 AU (55) Small Date. Semiprooflike; light orange toning. Very scarce and underrated variety and legitimately rare in this grade. 890.00
- 1851-D EF (45) Breen-2. First 1 in date double punched at its base. Fairly deep green gold. Somewhat baggy on the obverse but clean on the reverse; typical shallow strike. The perfect piece for the collector seeking one nice Dahlonga Five. 1,450.00

- 1861 AU (50+) 610.00

- 1894 MS (60+) 460.00
- 1898 Proof (63+) Only 75 struck. Excellent two-tone appearance with brilliant, unclouded surfaces. A few tiny obverse hairlines, visible only under magnification remove this coin from a "65" grade. Rare. 13,200.00
- 1899 MS (63+) 2,550.00
- 1900 Proof (65) 20 struck. A deep cameo with a frosted device beautifully contrasted by deep, untuned surfaces. A Gem and one of the most attractive Proof Half Eagles we have handled. 18,000.00

- 1914-S MS (60+) Average strike but nice color and luster. A scarce date in Mint State. 3,250.00
- 1915 MS (65) The obverse approaches perfection; the reverse is quite clean but not quite as choice. 5,280.00
- 1915-S MS (60+) A sharper coin than the last with similarly excellent color and luster. Again, a scarce date in Mint State. 5,600.00

EAGLES

- 1795 EF (40) Breen 1-A. Thirteen leaves. Fairly deep green gold with luster in the protected areas. The surfaces are marked by consistent but shallow field abrasions.
